CALVIN HARRIS FEAT. NE-YO
(ULTRA)

Goulding, Perry No. 1

Ellie Goulding tops Billboard's Nielsen BDS-based Mainstream Top 40 chart, as "Lights" rises 2-1 in its 23rd week. With the coronation, the song matches P!nk's "U + Ur Hand" (23 weeks, 2006-07) for the longest climb to the summit by a woman in the chart's almost-20-year history. Among all No. 1s, only Cee Lo Green's "F**k You! (Forget You)" (25 weeks, 2010-11) has logged a lengthier rise to the top.

"Lights" continues the impressive run of success for rookie acts this year on Mainstream Top 40, where Goulding is the fifth lead artist to reign with a first entry. Previously in 2012, the Wanted ("Glad You Came"), fun. ("We Are Young"), Gotye ("Somebody That I Used to Know") and Carly Rae Jepsen ("Call Me Maybe") ruled on their first tries. Last year, just one artist crowned Mainstream Top 40 in a first visit: Adele, with "Rolling in the Deep."

FALLING FROM CLOUD NINE, RISING TO NO. 1: Katy Perry extends her lead for the most No. 1s in the 16-year archives of the Adult Top 40 chart, as "Wide Awake" lifts 3-1. The song is Perry's seventh Adult Top 40 leader, pushing her further ahead of Maroon 5,

Nickelback and P!nk, who are tied for second with five toppers.

Perry has notched her record sum of No. 1s in slightly more than three-and-a-half years, having first led with "Hot N Cold" the week of Dec. 27, 2008.

OVERNIGHTS: A week's vacation camping with my brother in Utah last week provided A) views of striking scenery; B) my first fun/terrifying horseback ride into Bryce Canyon; and C) the phrase "hot 100" meaning a typical daily temperature.

GARY TRUST
ASSOC. DIR./CHARTS
gary.trust@billboard.com

Ellie Goulding makes a record-tying ascent to the Mainstream Top 40 summit, while Katy Perry extends her mark for the most Adult Top 40 No. 1s.

It also offered me a chance to catch up on sleep. Even on vacation, however, I often dreamt I was back in radio, A) producing Howard Stern's morning show (likely thanks to excitedly sampling SiriusXM in our rental car all week); B) having to suddenly schedule a public affairs program; and C) running the board for two stations . . . at the same time.

Once in radio, even after six years away, it's always a dream job. ●●●

It's All Here.

The Brightest LIGHTS Shine Through

Sept 2011

"Lights"
Impacts US Radio

Dear US Radio:
I would like to give my thanks
to each and every person at US Radio
who helped 'Lights' become such a
successful song and also a No. 1 song.
I could not be more grateful for this
journey and here's hoping that it can
continue. Thank you.

love,

Ellie
Goulding

Billboard's Mainstream Top 40, Rhythmic and Adult Top 40 charts rank total weekly plays (for the week ending Sunday) on 139, 70 and 83 stations, respectively, as monitored 24 hours a day, seven days a week by Nielsen BDS. Titles receive bullets if even or gaining in weekly plays. Average Plays per Station reflects Mainstream Top 40 titles' weekly plays totals divided by the number of stations on which they received airplay in the chart's tracking week. Greatest Gainers reflect titles with the top weekly increases in plays. New and Active lists the top titles gaining in plays below the Mainstream Top 40 chart. Chart data presented in this update is preliminary and subject to change, pending final review by Billboard and BDS. Finalized charts can be viewed on Monday afternoon via Nielsen BDS' subscription platforms or via subscription to www.billboardplus.com. © 2012, Prometheus Global Media, LLC and Nielsen BDS, Inc.
